

Thermal Modeling Works

Dongmyung Suh

Thermal CFD Analysis: Liquid Cooling Battery Package

Thermal CFD Analysis: Liquid Cooling Battery Package

ATLAS(104kWh) Battery Package

Thermal Analysis: Temperature distribution

Thermal Analysis: Temperature distribution

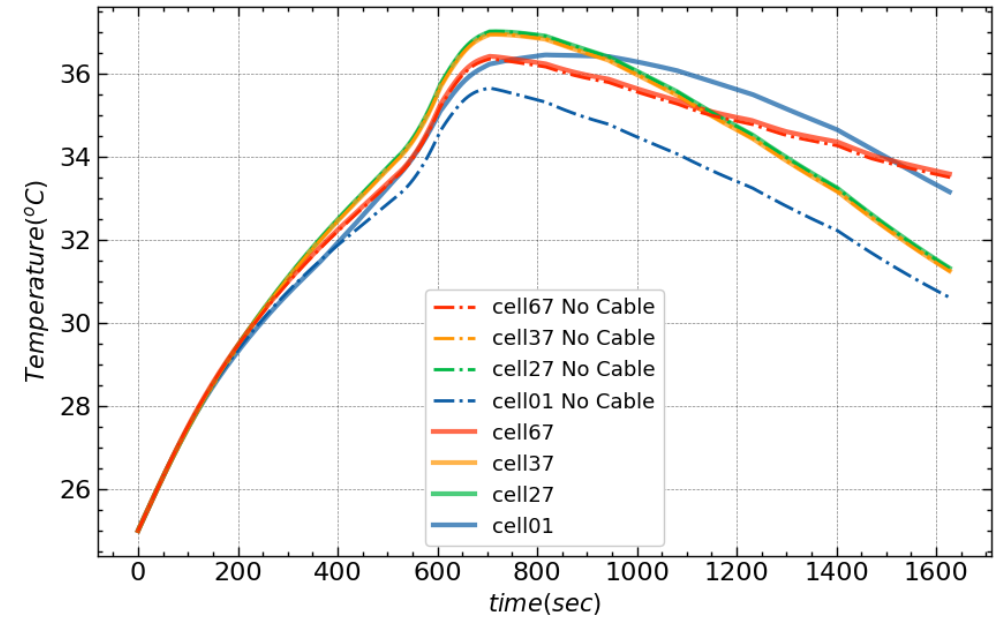

Temperature Distribution of Cells

Transient Thermal Behavior

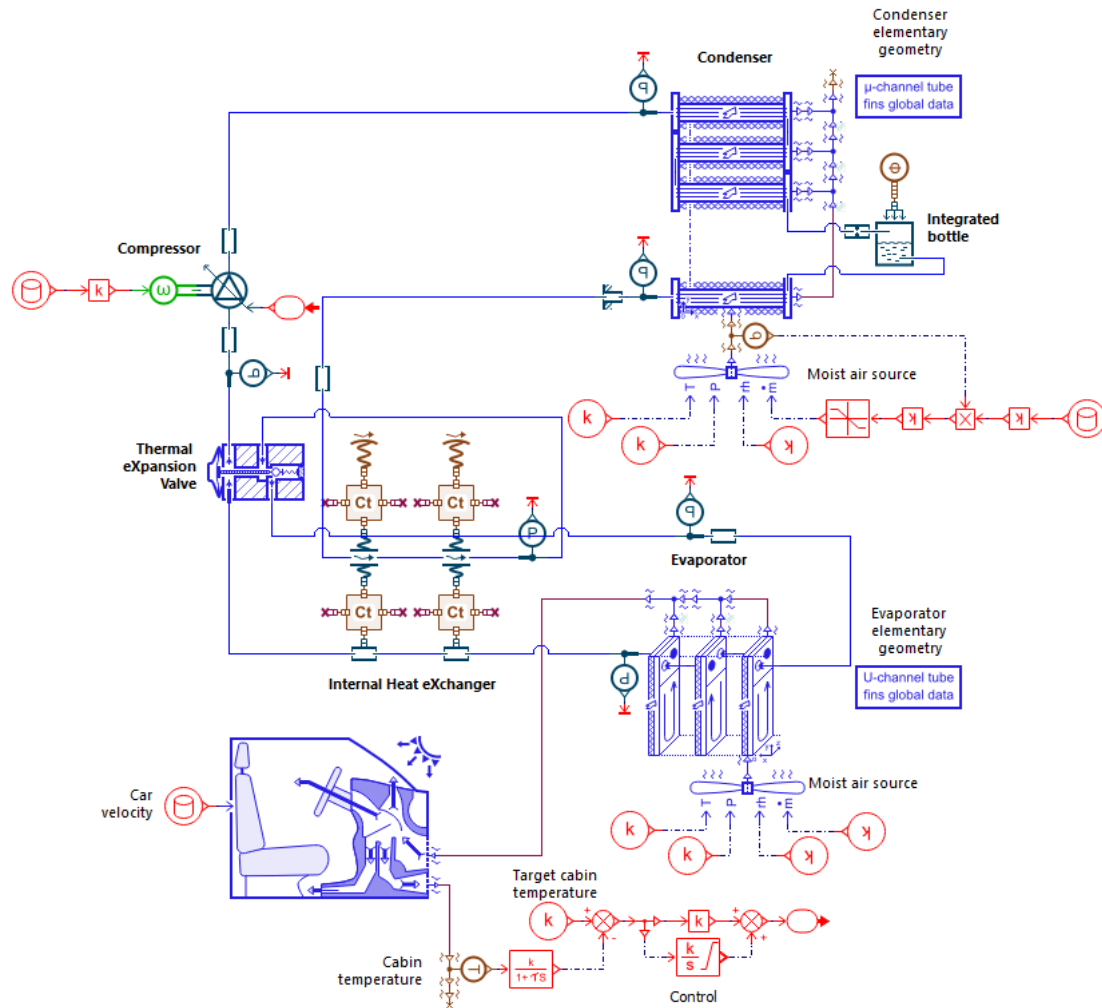

Coolant Temperature Evolution

Max. Temperature in Each Cell

Thermal System Modeling: HVAC of a vehicle Cabin

Thermal System Modeling: HVAC of a vehicle Cabin

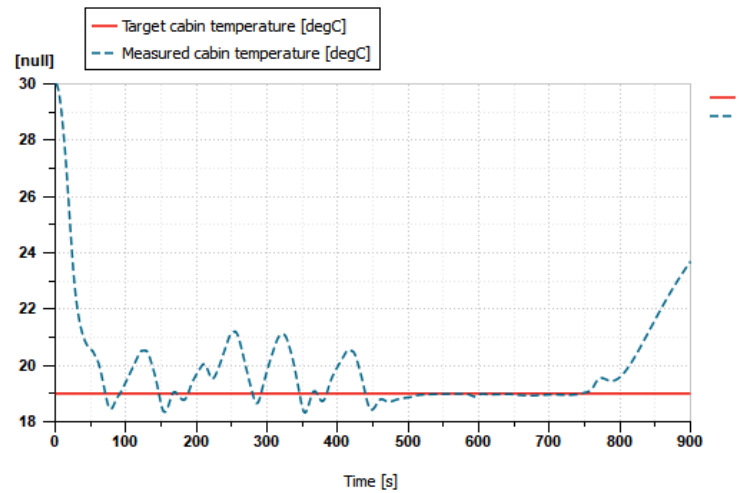

Imposed drive cycle

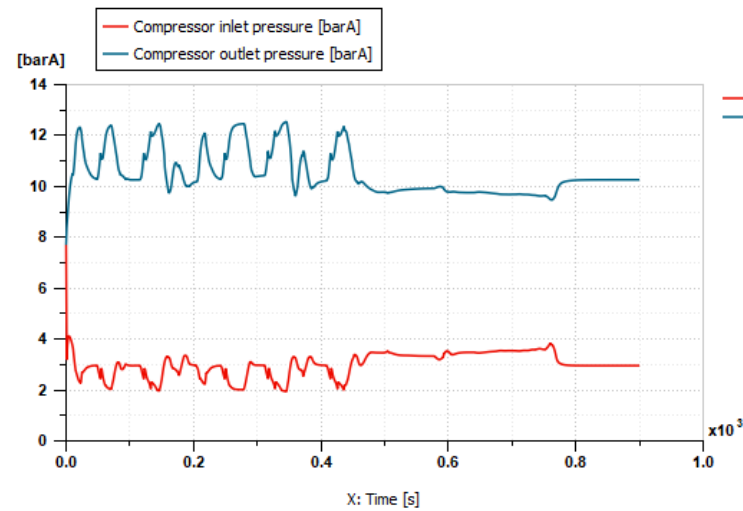

Evolution of the compressor rotary speed

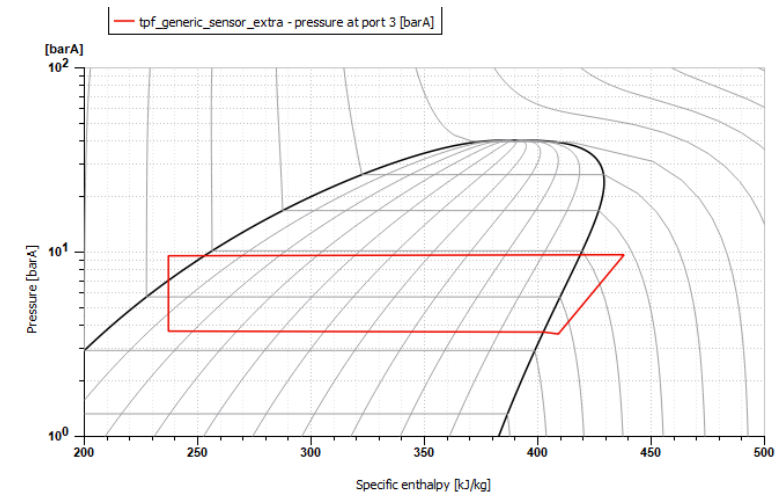

Evolution of the cabin temperature

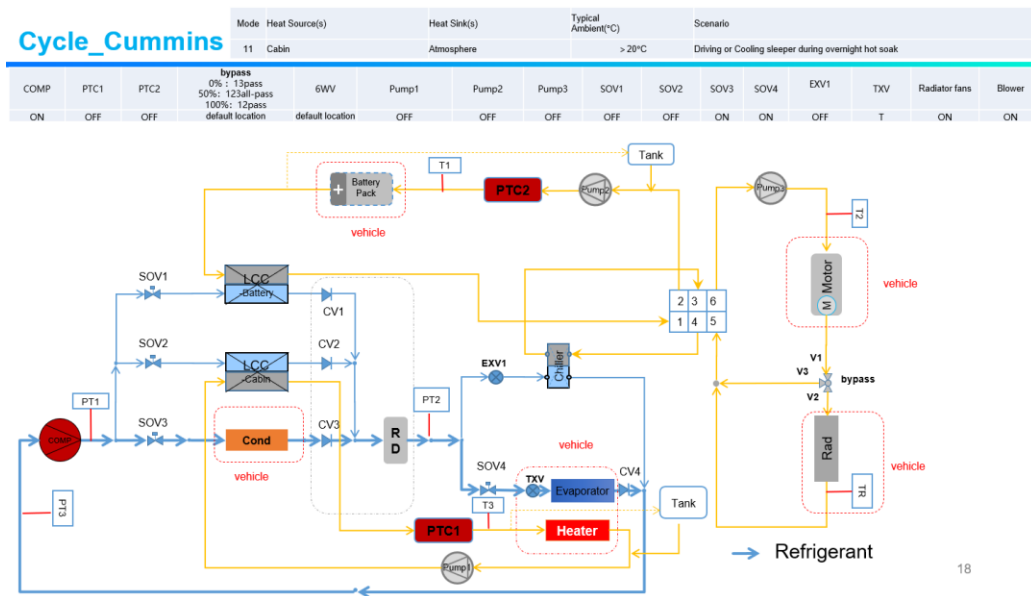

Evolution of pressure at compressor inlet and outlet

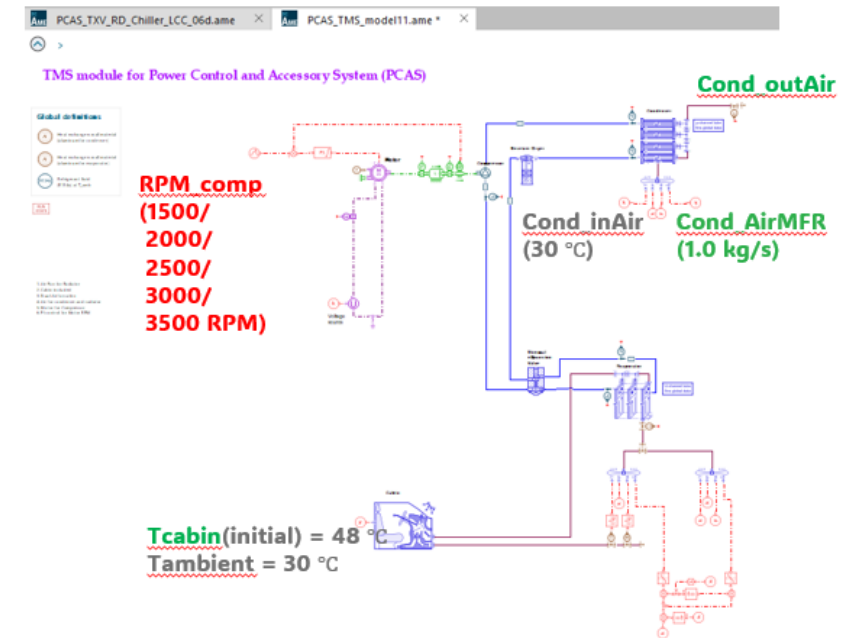

Thermodynamic plot
